*A solid blue indicator light signifies a successfully established Bluetooth connection.

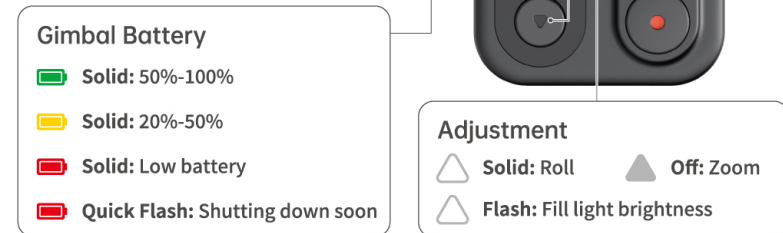

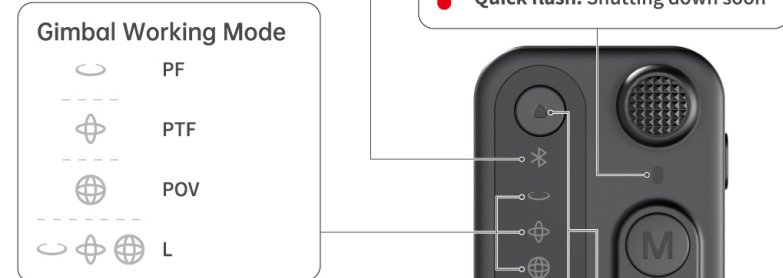

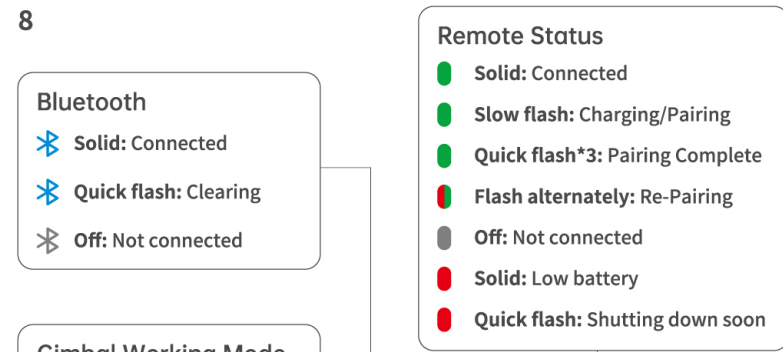

7 1. Zoom Control requires a Bluetooth connection and must be used within the Hohem Joy app.

2. This feature requires the gimbal to be connected to the smartphone via Bluetooth.

3. It is available exclusively through the Hohem Joy app after connecting via Bluetooth.

4. The remote control can be used independently and automatically pairs with the gimbal upon powering on.

Download Hohem Joy for more creative shots.
